This puppy/dog is being sold as **SHOW PROSPECT ONLY** and is to be registered with **FULL AKC** registration, **ON A CO-OWNERSHIP WITH THE BREEDER UNTIL BELOW \* REQUIREMENTS ARE ACHIEVED**. Once the buyer provides documentation that the requirements have been met, Breeder promises to deliver and agrees to transfer ownership to the dog. Buyer shall make best efforts to achieve AKC Championship title on the puppy, at the time that exhibiting the dog would be appropriate, based on maturity (both physically and mentally).

Initial \_\_\_\_\_

It is understood that the dog **MAY NOT** be bred until (s)he has completed all **\*HEALTH CLEARANCES** as recommended for Pomeranians (patellas, advanced cardiac & eyes) and CHIC number has been received.

The Breeder agrees that said puppy/dog is healthy at the time of sale to the best of her knowledge. Said puppy/dog will be evaluated by my veterinarian before it leaves Breeder's home. If any condition is present or suspected, the said puppy/dog will not leave my home and Buyer will be notified immediately. At this time, if the vet evaluation foresees any life threatening or contagious disease, deposit will be transferred to another available puppy of equal value or Buyer may receive a refund.

Breeder agrees to give Buyer a record of medical history for said puppy/dog. Said puppy/dog has been given age appropriate inoculations. We do not recommend giving the Leptospirosis vaccine.

The puppy/dog is NOT sold with the guarantee against COCCIDIA or GIARDIA (typically dormant single celled parasites common in puppies, but is dewormed several times prior to going home with you to avoid such issues), of being show quality, against overbites, under bites, patella issues, hernias, trachea issues, for undescended testicles, or with the guarantee of the ability to breed at the age of maturity. Breeder can only estimate adult weight, size, color etc. by experience, but does not guarantee this.

Breeder guarantees said puppy/dog one year for life threatening congenital, hereditary, or genetic defects from your date of purchase. The buyer will have 48 hours from the time the puppy leaves my home in which to have the puppy examined by their own veterinarian at the Buyer's expense. If said puppy/dog is found to have any contagious life-threatening disease found within the 48-hour period, the Buyer must notify Breeder immediately. The Buyer will then have the right to exchange said puppy/dog for another one of equal value, when one becomes available, or be provided a refund in the amount of the purchase price, provided a letter from two licensed veterinarians, is given as evidence of the puppy/dog's life-threatening illness. The puppy/dog (along with AKC registration papers) will be returned within the guarantee period. All shipping and vet fees will be at Buyer's expense.

The Buyer agrees to return the puppy/dog to the Breeder if for any reason the Buyer no longer wants to or is unable to keep the puppy/dog. The Buyer agrees to never put said puppy/dog in a shelter or rescue group of any kind. The Buyer **MUST** return said puppy/dog back to Breeder. Buyer agrees to not resell, trade or giveaway said puppy/dog. Breeder will accept the puppy/dog back at any time with no refund to be given to the Buyer as Seller will then accept responsibility for the dog and will be responsible for all future costs. **At the time of retirement, if the owner chooses to place the adult in a pet home, the adult must be de-sexed, by the owner, prior to placement.** All shipping fees for the return of puppy/dog to Breeder, if any, will be at Buyer's expense.

The Buyer agrees to maintain care of the puppy in regards to structure and health, including but not limited to: a high-quality diet, vaccinations, treatment for internal and external parasites, medical care whenever needed, proper exercise and preventing stress injuries. The Buyer also agrees to provide proper coat, teeth, and nail maintenance for the dog.

Initial \_\_\_\_\_

Should the above-named dog become affected by Alopecia X (confirmed by veterinary dermatologist diagnosis) up to 2 full years of age, the Buyer is entitled to a replacement puppy. The Buyer must provide a copy of the dermatologist's diagnosis, accompanied by photos, proof of spay/neuter of the dog/bitch in question, and a signed, written statement by the Buyer that the dog was not used for breeding prior to 2 years of age, and agree to send blood samples and data on the dog to an Alopecia X research study at a University or other professional research institution at the Buyers' expense. Breeding of the dog/bitch (whether intentional or not, whether the puppies are registered or not, and whether they are bred by the Buyer or not) prior to 2 years of age voids this Guarantee and constitutes acceptance of the risk that the dog may develop Alopecia X.

----- **STIPLUATIONS FOR PLACEMENT** -----

**Breeder will have access and unlimited breeding rights to the dog for the life of the dog. Stud fee shall be \$ 0 (zero dollars). This applies only to bitches owned or co-owned by the breeder. Cost of transportation to the dog to be borne by the breeder.**

Breeder is no longer responsible for veterinary or other expenses incurred once said puppy/dog leaves breeder's home.
